The Small Business Commerce Association (SBCA) is pleased to announce that Butler Rosenbury & Partners has been selected for the 2009 Best of Business Award in the Architectural engineering category.

The SBCA 2009 Award Program recognizes the top 5% of small businesses throughout the country. Using consumer feedback, the SBCA identifies companies that we believe have demonstrated what makes small businesses a vital part of the American economy. The selection committee chooses the award winners from nominees based off information taken from monthly surveys administered by the SBCA, a review of consumer rankings, and other consumer reports. Award winners are a valuable asset to their community and exemplify what makes small businesses great.
